

CIM Commercial Trust Announces Private Repurchase of 14,090,909 Shares and Declares Special Dividend on Common Stock

December 19, 2017

DALLAS--(BUSINESS WIRE)--Dec. 18, 2017-- CIM Commercial Trust Corporation (NASDAQ: CMCT), a real estate investment trust (REIT) that principally invests in, owns, and operates Class A and creative office investments in vibrant and improving urban communities throughout the U.S., today announced that it has repurchased, in a privately negotiated transaction, 14,090,909 shares of its common stock from a fund (the "Fund") managed by an affiliate of CIM Group, the manager of CMCT. The aggregate purchase price was \$310,000,000 or \$22.00 per share.

In order for all common shareholders to participate in the economic benefit of the share repurchase in an equitable manner, CMCT's Board of Directors has declared a special cash dividend of \$0.73 per common share. The amount of the special cash dividend per common share was calculated based on the spread between \$22.00, the repurchase price, and the volume-weighted average price per common share for the 20 trailing trading days through December 15, 2017 of \$19.12 per common share. The dividend will be paid on January 11, 2018 to common shareholders of record as of December 29, 2017. The Fund has informed CMCT that it waived its right to receive this special cash dividend on the common shares that it owns.

The repurchase and special cash dividend are part of CMCT's previously stated goal of focusing on increasing the net asset value and cash flows per share of common stock while providing liquidity to common shareholders at prices reflecting the underlying fundamentals of CMCT's portfolio.
